ng homes' fundraising benefits local charities

Two great local causes recently benefitted from the fundraising efforts of staff at the ng group, with the Marie Curie Hospice in Springburn receiving £650 and Possibilities based in Possilpark receiving £375. Possibilities is dedicated to helping the community of Possilpark and the wider North Glasgow area to flourish through their centre (which includes a café) and social and educational programmes, including Cook 'n' Care and the Steamie.

Staff contributed generously to the Marie Curie collection and in addition the Concierge staff have been busy raising money by gathering metals from void properties, collecting materials which tenants want uplifted from their homes as well as picking up any goods that have been fly tipped in North Glasgow. The metal is all then recycled by registered scrap metal merchants. The cash raised from the Concierge efforts has been shared between the Marie Curie Hospice, Possibilities in Possilpark and the Association's Retirement Housing Complexes to support activities for residents.

Concierge and Property Manager Colin Leverage commented:

“The Concierge teams work hard to collect the goods and the staff are delighted that they are able to raise funds that can make a positive difference for so many people. It's a great way to raise money but it also has additional benefits as it helps keep the environment clean and tidy and supports the Association's wider recycling initiative.”

Both Charities were delighted to receive their cheque from staff and thanked everyone for their kindness and thoughtfulness. Amanda Casey, Community Fundraiser at Marie Curie commented:

“We are absolutely delighted to once again have the support of the ng group staff and receive this fantastic donation of £650 – thank you to everyone involved!”

Jim McCabe and Melanie Fyfe, Managers at Possibilities commented:

“This is an amazing surprise and it is greatly appreciated! All donations received help keep our centre open and running. A big thanks from all the staff, volunteers and members of Possibilities for this generous donation of £375 from ng homes' Concierge.”
